

# Contents

## Part I Introduction

- 1 **History and Definition** ..... 3  
Kiyoshi Nishioka

## Part II Epidemiology

- 2 **Epidemiology of Atopic Dermatitis in Japan** ..... 13  
Takumi Takizawa, Akihiro Morikawa, and Hirokazu Arakawa
- 3 **Epidemiology of Childhood AD in Asian Countries** ..... 25  
Yasuyuki Sumikawa
- 4 **Retrospective Cohort Study of Adolescent Atopic Dermatitis** ..... 37  
Akiko Kijima, Hiroyuki Murota, and Ichiro Katayama

## Part III Genetics

- 5 **Genome-Wide Association Study for Atopic Dermatitis in the Japanese Population** ..... 45  
Mayumi Tamari and Tomomitsu Hirota

## Part IV Etiopathology of AD From Japanese Studies

- 6 **Skin Barrier Function in Atopic Dermatitis** ..... 61  
Hiroyuki Murota, Kosuke Yamaga, and Ichiro Katayama
- 7 **Immunological Perspectives: Th2 Cells/Mast Cells/Basophils/Eosinophils** ..... 69  
Takashi Hashimoto and Takahiro Satoh
- 8 **Etiopathology of Atopic Dermatitis: Immunological Aspects of Dendritic Cells (DCs) and Innate Lymphoid Cells (ILCs)** ..... 83  
Saeko Nakajima, Tetsuya Honda, and Kenji Kabashima

<b>9</b>	<b>Cytokine Network</b> .....	<b>97</b>
	Kenji Izuhara, Satoshi Nunomura, Shoichiro Ohta, Masahiro Ogawa, and Yasuhiro Nanri	
<b>10</b>	<b>Factors that Exacerbate Itching in Patients with Atopic Dermatitis</b> .....	<b>113</b>
	Hiroyuki Murota and Ichiro Katayama	
<b>11</b>	<b>The Role of Sweat in the Pathogenesis of Atopic Dermatitis</b> .....	<b>125</b>
	Tetsuo Shiohara, Yurie Shimoda-Komatsu, Yoshiko Mizukawa, Yuki Hayashida, and Yumi Aoyama	
<b>12</b>	<b>Microbiome, Dysbiosis, and Atopic Dermatitis</b> .....	<b>141</b>
	Keiji Iwatsuki, Osamu Yamasaki, and Shin Morizane	
<b>13</b>	<b>Psychological Stress in Atopic Dermatitis</b> .....	<b>157</b>
	Mayuko Nakano-Tahara, Hiroyuki Murota, and Ichiro Katayama	
<b>14</b>	<b>Evolution of Animal Models of Atopic Dermatitis</b> .....	<b>165</b>
	Ichiro Katayama, Kohsuke Yamaga, and Hiroyuki Murota	
 <b>Part V Classification</b>		
<b>15</b>	<b>Extrinsic and Intrinsic Atopic Dermatitis</b> .....	<b>181</b>
	Yoshiki Tokura	
 <b>Part VI Clinical Manifestations</b>		
<b>16</b>	<b>Infantile and Childhood AD</b> .....	<b>203</b>
	Hirokazu Arakawa	
<b>17</b>	<b>Clinical Manifestation: Adult-Type Atopic Dermatitis</b> .....	<b>215</b>
	Aya Takahashi, Hiroyuki Murota, and Ichiro Katayama	
<b>18</b>	<b>Senile Atopic Dermatitis</b> .....	<b>229</b>
	Ryoji Tanei	
<b>19</b>	<b>Differential Diagnosis of Atopic Dermatitis</b> .....	<b>249</b>
	Ichiro Katayama	
 <b>Part VII Diagnosis</b>		
<b>20</b>	<b>Diagnosis and Japanese Guideline</b> .....	<b>265</b>
	Hidehisa Saeki

**Part VIII Management**

- 21 Management: Drug Therapy—Ointment** . . . . . 283  
Takahiro Satoh
- 22 Drug Therapy: Systemic** . . . . . 289  
Norito Katoh
- 23 Skin Care and Intervention** . . . . . 301  
Yukihiro Ohya
- 24 Approach for Aggravating Factors in Atopic Dermatitis** . . . . . 311  
Sakae Kaneko
- 25 Impairment of Productivity in the Workplace/Classroom  
in Japanese Patients with Atopic Dermatitis** . . . . . 321  
Hiroyuki Murota and Ichiro Katayama
- 26 New and Future Therapies** . . . . . 329  
Ken Igawa and Hiroo Yokozeki

**Part IX Complications**

- 27 Allergic Rhinitis and Pollinosis** . . . . . 345  
Takahiro Tokunaga and Shigeharu Fujieda
- 28 Food Allergy** . . . . . 355  
Reiko Kishikawa and Akiko Sugiyama

**Part X Clinical Questions**

- 29 Clinical Questions: Lifestyle of Japan and Atopic Dermatitis** . . . . . 369  
Takeshi Nakahara
